These preachers are taken from the plan, and inevitably some things will have changed since it was published – *and last month, I made a complete mess of it!!!*. Therefore, if you have any questions, or need some confirmation, please ask your local stewards who will certainly know – I probably will not know.

It is August ... so there is very little happening (*I think?*)

Handsacre and **Penkrige** are both hosting holiday clubs for primary school children this summer.

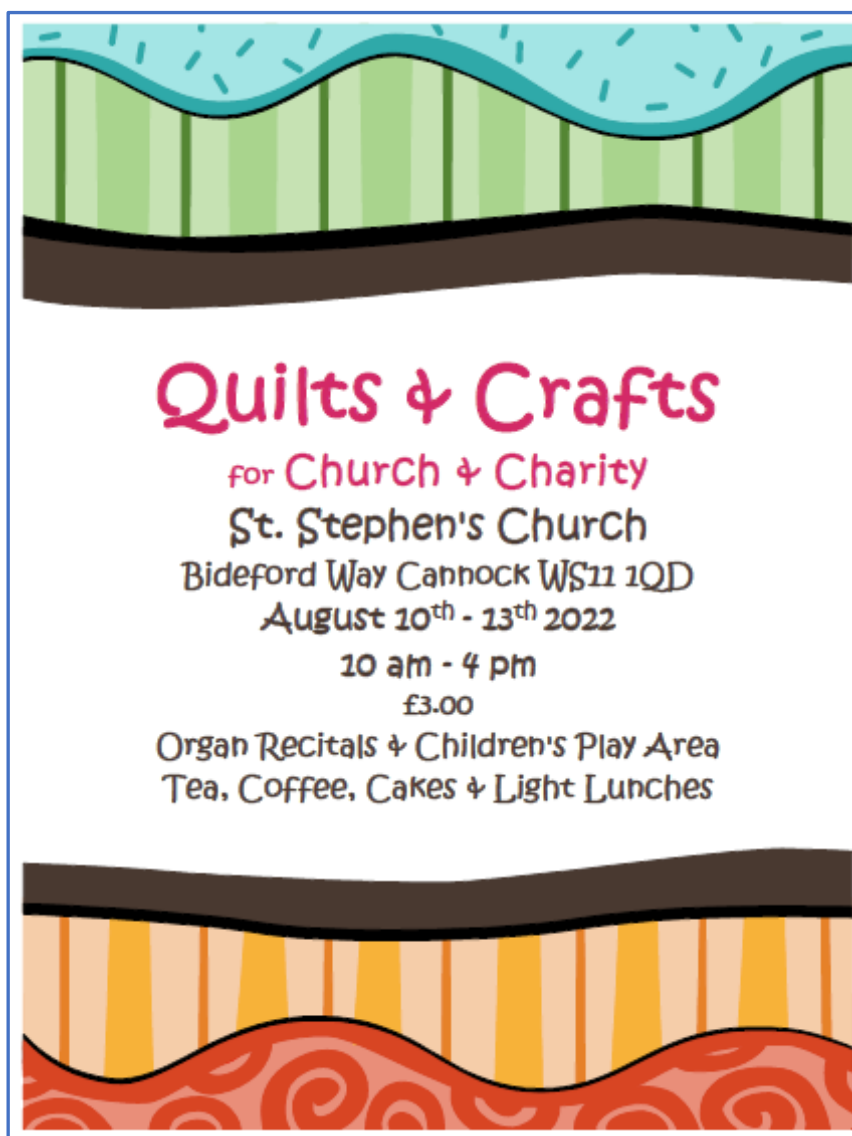

Please pray for them both, for the leaders and the children as it is a lot of hard work.

I believe that **Chadsmoor** are hosting a family fun evening on August 12th, but I have no further details so check with the stewards at Chadsmoor who may know more (?)

A holiday club for you if you are slightly older than those at primary school

St Stephen's are hosting a **Quilts and Crafts week** from **August 10th to August 13th** which sounds like a great hands-on place to be. I understand that this is a sort of crafting festival with a whole bundle of stuff going on each and every day, so you may want to come right at the start and then come back the next day, and so on ... it isn't just a one-day thing!!!

So, keep the dates free and come along – it is good to do things together, and what is not to like???

And lastly, over the summer it is probably a good time to revisit your recycling habits. Franzi would like to encourage us to check out [this link](#) from [Ocean Saver](#) to make sure you are doing all that is possible.

God Bless you all
