

Letter from The Reverend Margaret Eales

As we have now accomplished the completion of the next Circuit Plan it gives me pause for thought that this plan brings us to the end of another Church year. It has been a year of new beginnings and new challenges. Throughout the Circuit we have been making those tentative steps towards opening and making decisions about what to start with first, what do we need to stop and so the work of our churches has begun but has still a way to travel. Many Churches are being challenged with not just what we may do but have we sufficient funds to continue in the long term. Finally, we have the joy of new activities being planned and opened to the community and the seeds of New Life from the old are beginning to grow.

The first Sunday on the new plan is Pentecost and I hope we will all, in our own ways, celebrate the gift of the Holy Spirit. The Spirit came to the disciples in fire and wind and changed their perspectives and challenged their understanding of this great gift. They went out and shared with the crowds and found confidence, belief, and power to change. I pray that we too may be filled with the Spirit this Pentecost and have the confidence, belief, and power to grasp the opportunity that God is offering us in this changing and challenging world. What can we do, what can we bring of ourselves and allow the Spirit to change and challenge us to be the force for good in our communities? Will we allow the Spirit to move us on to bring the message of Christ to communities that are in need of care and learn of the love that is offered freely to all? Can we use the power of the Spirit to make a difference? I hope we have the courage to let go of the past and move on, in the Spirit, to do things differently.

The end of the Church year is also the end of my time here and I want to say thank you for the care and support I have received. I have enjoyed working in the churches of my section, but also had the joy of preaching in other churches too. I will continue to hold you all in my prayers as I begin a new chapter of my life. May you all know the love and peace of God in your lives, churches, and the direction He may lead you in.

With every blessing to you all Margaret
